

# social / firm crawl

Four of our local firms are sure to impress  
as we get to mingle & enjoy some refreshments!

## Schedule:

**4:45pm – Meet in the EPNEC Lobby & walk to MetroLink**

**5:00pm – First Stop *Christner Inc.***

## CHRISTNER

CREATING PLACES THAT SUSTAIN, INSPIRE AND ENDURE

With a professional staff of 90, Christner is among St. Louis' largest multi-disciplinary architecture firms. Christner's award-winning Landscape Architects bring creative design solutions to "people spaces" for plazas, parks, streetscapes, and campuses. For every project, Christner looks for the essential elements of the plan that will embody our client's vision, respect history and context, and support a sustainable future.

**5:45pm – Back to MetroLink**

**6:00pm – Second stop *Arcturis***

## ARCTURIS

Arcturis is known for it's innovative ideas. Our team of professional designers and land planners are concerned for the development of land for human use and enjoyment.

**6:45pm – Back to MetroLink**

**7:00pm – Third stop *HOK***

Our mission is to deliver exceptional planning and design solutions through the creative blending of human need, environmental stewardship, science and art.

**7:45pm – Back to MetroLink**

**8:00pm – Fourth stop *Planning Design Studio***

Planning Design Studio (PDS) is an employee owned firm offering planning, urban design and landscape architectural professional services to public and private clients from our office in St. Louis.

**9:00pm – Crawl back home**
